State Organization Presidents request International Speaker

Bring the world closer to your members by hosting an ISF speaker and fostering meaningful global connections within your state organization. State organization presidents are invited to request an International Speakers Fund (ISF) speaker through *State Connect* for an enriching international exchange experience. This opportunity enables members to:

- Explore diverse cultures, customs, environments, and educational systems
- Gain insight into global education systems, practices, needs, and perspectives
- Share enriching international experiences with state organization members
- Build lasting friendships across borders and expand international networks

Convention registration fee increases as per governing documents

According to the current governing documents [*Constitution, Article X: International Conventions and Conferences, Section A. 2. Registration. a*], all registration fees will increase by fifty percent (50%) thirty (30) days prior to the official opening day of the convention or conference. Be sure to register early for the upcoming 2026 International Convention in Aurora, Colorado, to avoid this increase in registration fees. Register at dkg.org → Events → International Events → Aurora → Register.

Please note that while the proposed revision to the governing documents include removing the requirement to increase registration fees and eliminating international conferences, these changes will not take effect until the revisions are formally adopted.

DETAILS FOR ONGOING EVENTS
