Hello Ladies, We're having a heat wave, a tropical heat wave,
the temperature's rising!

I think there is a song in there somewhere. The movie "White Christmas". It was a romantic and dancing number but I think **TODAY** I am going to apply it to the weather! I hope all of you up north are fairing better than we are.

Well, I guess I had better get down to business. Cheryl Anderson (Delta) and Leta Rabenstine (Xi) are going to be getting a committee for the revision of our scholarships later this month or early next month. If you want to help out, please let them know. All contact emails will be at the end of this page.

We have been notified by International that the governing documents needed for updating our state governing documents is now available on the International website. I really would like to thank Marlene Killian (Omicron) and Judy Silker (Nu) for taking on this task. If you feel you would like to assist with this please let them know.

I also want to thank Susan Neal (State) for updating our state brochure and making it available on our website. It is really nice so print out a few and hand them out to the teachers you know.

I have run into a wall of "No Information" so I am going to make an executive decision! I don't know exactly how to do it but I want to give it a try. What is she talking about you say! I am talking about starting a Virtual Chapter. I would love it if current state members, past members and any possible future members to send me their names, locations and emails. I would then like to schedule a ZOOM meeting to look at organizing it according to International, State and Chapter guidelines. We have Ladies with the technical know-how, and the desire to remain members and others wishing to join. We know how to compose and complete documents so let's go for it Ladies. PLEASE contact me if you would like to help with organizing or just want to be a member. Pat Goeppinger – onehappygrandma@cox.net – 702-308-3489

I would also like to thank Maxine Emm (Delta) for searching out venues for our 2027 State Convention. She has done a lot of work and is waiting to hear back from them with financial quotes.

If any Chapter has completed a project benefiting students or teachers, I would like you to submit it to International under “Impact (Project) Spotlight. All the information and requirements are on the website. If you would like me to do it, just send me the information.

There is also a “Member Spotlight”. If you know of a member who has been outstanding, please submit her name.

Well, I am going to close now and go sit under my fan with a big glass of ice water and read for a while.

Stay Cool!

Talk to you next month.....
