President's Newsletter
September

Thank you to Emily Ladner for hosting the September meeting, Dina Hyman for being her co-hostess, and a special note of appreciation to Judy Merz for sharing news from the International Conference and a special presentation on "Authenticity, Passion, and Purpose." We learned more about how AI can be used to create a presentation. Members from Gamma Chapter joined us.

Fall is officially here today. You may be settling into a schedule of more events and activities on your calendar. Time for an update for some of our meetings.

October 25 is a trip with members of Gamma Chapter to Spring Mountain Ranch. There is a \$10 fee per car. As the date approaches, we will try to make plans for those interested in carpooling. Fall is a lovely time to be outside in Nevada, and enjoy a picnic lunch. Watch for more specifics to come.

November: Epsilon doesn't have a meeting this month, and Gamma is having a chapter business meeting.

December 6, 12:15 p.m. Holiday Lunch and \$20 gift exchange at Guiseppi's Italian Grill, 2630 W. Horizon Ridge. If you wish, you may bring your donations of socks and underwear for Robert Taylor Elementary School.

January 24 We will be viewing the presentation by Joyce King on "Gratitude." This will be a ZOOM presentation. More details later.

February 7 We will return to Chicken 'n' Pickle from 11:30-1:30 for a timely program on caregiving. Many have or will be taking this journey. Shannon Goins will be our guest speaker.

Watch for updates!
