

President's Page – June 2025

Hi Everyone.....

I hope you are enjoying the start of your summer. We can definitely tell it is SUMMER here in Las Vegas.

With the 2025 State Convention behind us, I wanted to mention some of the items we all discussed.

1. The DKG Visionary Network – I hope you have checked out the offerings and if you attended one and enjoyed it, send an article to Donna Harper (Gamma), Nevadagram Editor.
2. I wish Judy Merz (Epsilon) a great trip to New Orleans. Bring back lots of great information! But definitely enjoy the city.
3. Brenda Downs (Delta) has been really busy with the US Forum. A lot of action is happening with education.
4. Donna Harper (Gamma) published a GREAT Convention Nevadagram. Well Done!
5. Susan Neal (Kappa) is constantly updating our state website so remember to check it out for news.

lots

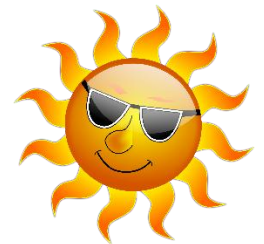

It is a bit early to start **meeting** about 2026 summer activities but I am thinking about it.

If anyone has ideas, suggestions, questions or concerns, please send them to me. I will be looking at our Bylaws and Standing Rules concerning conventions. I really feel we should model our program like that of International. Convention every other year with a Leadership training scheduled for the off year. We could make this part of a ZOOM business meeting not a convention. I will be working on the schedule also this summer. Please let me know of your preference.

Suggestion Box!

I am really lucky to be part of such a wonderful group of women!
Enjoy your summer cruises, B-B-Q's, trips, family and friends. Talk to you in July!
