

What a Wonderful Convention!

Hello Everyone.....

I can't say enough good comments about this year's convention. We had "Top Notch" speakers, a loaded business meeting that prompted great discussions and ideas for the future, delicious food and time to get caught up on the news. The Planning Committee noted some areas that we could make better and will start the planning process again next summer for the 2027 convention. A task force will meet to look at how and when to hold our 2026 ZOOM Business meeting and Leadership seminar.

A BIG THANK YOU to all the Chapters for coming together to such a great event!

Congratulations again to all of our Rose of Recognition recipients and our State Exemplary Award honoree, Marlene Killian (Omicron).

The Nevadagram will contain more about the convention and have pictures so look for it by the end of the month.

I hope every chapter is planning on a fun filled Founder's Day for its members. Make sure you send pictures (include the member's names) and an article to Donna Harper (Gamma), donnaharper1266@gmail.com.

All of our "Active" teachers are finally able to see a light at the end of the tunnel and I'm sure already planning their vacation. YOU DESERVE IT!

During your yearly planning meetings, please remember to make time for some fun along with the business. Plan a Girls Night Out, a game time at one of your homes or just go out to lunch and "gossip".

I would love to attend one of your meetings by Zoom if it can be arranged. Also, if you have any ideas, whether you think they are great or not, send them to me. Some of the best ideas come from a mere thought. Please, remember I am here if you need me.....
