

Delta Kappa Gamma  
Epsilon Chapter  
President's Newsletter  
December 2025

Epsilon Chapter's Holiday Luncheon was held December 6 at Guiseppe's Italian Restaurant on Horizon Ridge in Henderson. We were able to enjoy food, fellowship, and a gift exchange in our own little room. Delightful!

Emily and I delivered the socks and underwear we had collected at our previous meetings to Robert Taylor Elementary School in Henderson. Principal Kimberly Basham and their representative from Community in Schools were thrilled with the two boxes we brought. Thanks to our members for their donations.

We often believe no one notices these small gestures of kindness that we make, but I thought you'd like to know Delta Kappa Gamma is listed on the school's website as one of their "Community Partners." Hooray for us!

A quick look ahead:

January 24 at 10:00 a.m. will be a ZOOM presentation on "Gratitude" by Joyce King. More details to come.

February 7 at 11:30 a.m. we meet at Chicken and Pickle for lunch and a presentation by Shannon Goines of Positive Choice Vegas on the topic "Family Members and Caregivers."

Notes on our members:

Carolyn O'Mara is receiving top-notch care in Montana and is in good spirits. The little dog she adopted from the shelter comes to visit her in rehab, and is living up to her name, "Cuddles."

Dina Hyman continues to recover at home from her shoulder surgery.

State President Pat Goeppinger sends this message to Epsilon Chapter: "Wishing you moments to treasure, love to share, and warmth and beauty all around you this holiday season."

Joyful holidays, Epsilon members. Peace and Shalom for 2026.

Epsilon members Penny Thompson, Emily Ladner, Judy Merz, Lillian Thompson, and Henne Waterbury enjoyed a holiday gathering at Giuseppe's Restaurant in Henderson! Santa was an extra guest!

Epsilon President Penny Thompson and Secretary Emily Ladner flank Robert Taylor Elementary School Principal Kimberly Batham, who gratefully accepted gifts of socks and underwear donated by Epsilon members as part of their annual community project.
