Dear DKG Nevada State Chapter Presidents,

As you begin preparations for awarding the Nevada Apple Grant in your school community, I wanted to remind you that criteria for applying/qualifying is established by your own chapter. The monetary amount awarded is also up to you. How and where you present the award is up to each chapter, as well. See next page for Nevada State Membership Initiative which refers to the Nevada Apple Grant under #2.

I have included in your packet a certificate and certificate holder/frame. Please let me know if you need more than one, or have any questions.

Lastly, sometime in May or June, could you let me know who your recipient(s) is/are? I would love to share their exceptional project proposals on our state website!

Thank you for participating in this worthwhile recognition to acknowledge our hard-working Nevada teachers for their innovation and creativity.

Best regards,

Cheryl Anderson  
Nevada State Membership Chair & Nevada Apple Grant Coordinator
