

Delta Kappa Gamma  
Epsilon Chapter  
President's Newsletter  
January 2026

DKG women are resilient and creative. When circumstances require a quick adjustment in plans, we can do it! This month we had to cancel our scheduled meeting due to events beyond our control, but we found an unexpected opportunity to support one of our CCSD schools.

We were able to get tickets to "SUSS," a musical celebrating the women's suffrage movement. Green Valley High School performed this work sponsored by the Educational Theatre Foundation and Music Theater International. It was impressive, and I am always awed by the talents of our young people.

Once again, we have had to make unexpected adjustments, this time for our February meeting. We will still be meeting at Chicken N Pickle at 11:30, but the new date is **February 14**. Our speaker is Shannon Goines. We will have our chapter meeting and order our lunches before she speaks.

We have an open invitation to Gamma Chapter members to join us when they can.

Reminders will be coming next month, but please adjust your calendars.

I hope to see you next month for our lunch meeting.

Penny Thompson
