

November 2025 President's Page

The Holidays are upon us! I hope everyone survived Halloween. Every once and awhile I think about how much I loved seeing my boys in their costumes! They were so cute but THEN they grew up. WELL.....now you need to get your rest because Thanksgiving is only a few weeks away. If you are traveling to be with family and friends, please be safe and I hope the weather cooperates.

FROM INTERNATIONAL:

International would like everyone to go on the International Website, dkg.org, and read about *Impact the World with DKG and the EEC Committee*. PLUS.....all of you who are artistically skilled, International encourages you to submit your project to the Fine Arts section. I would love to see your work being shared with all our members. Don't be afraid, JUST DO IT! Submission forms are available on the website.

Remember to submit your creative and successful Chapter projects to *Impact Spotlight*. Instructions on how to submit projects can be found on the International Website. If you are having trouble locating this information, just let me know and I will get you some help.

The theme for the 2026 International Convention in Colorado was announced.

Elevate Potential, Embrace Change, Empower All.

I hope those that are willing and able will attend the Convention. It is nice to have a convention in the Southwest Region. If you would like to present a workshop during the Convention, you will need to submit your idea to International by January 5, 2026. The submission form will be available early November. I will send it out to the Chapter Presidents when I receive it. I know some of you have wonderful ideas and projects to share, so please consider being a presenter.

FROM STATE:

Cheryl Anderson (Delta) has updated the Apple Award Certificate. I have attached it for you. Thank you, Cheryl.

I really appreciate all those Chapters who have sent me their updated rosters. I am now going to be able to update my email list.

I made a State Brochure a while back which I have attached. My question is whether there is anyone out there who would like to redo it? I think it could use a more artistic touch than what I did. Please let me know if you are willing to take on this project.

The 2026 Convention Planning Committee will meet by ZOOM on Saturday, November 15, 2025 from 10:00-12:00. If you have anything you want to add to the agenda, please let me know.

I would like to let the Presidents of the chapters up north know that I would love to attend one of your meetings. I am getting much better at using ZOOM.

Before I sign off, I want to wish you all a very safe and happy Thanksgiving. Enjoy your family and friends.
